## About this Webinar Series

The AIDS Institute is pleased to announce a webinar series designed to engage a wide range of health and human services providers and consumers in discussing how they can take action in their communities to implement the recommendations outlined in the **2015 Blueprint For Achieving the Goals Set Forth by Governor Cuomo to End the Epidemic in NYS by the end of 2020.**

This goals of this webinar series are to:

1. **Engage** stakeholders in discussions about their role in implementing the **Blueprint.**
2. **Bring attention** to recommendations in the plan related to specific vulnerable populations.
3. **Share innovative strategies** for HIV prevention, testing and linkage/retention in care.
